

Little Lamb Bo Church Kit

Sing it Sunday. They'll ask for it Monday.

Five original Bible songs for ages 1 to 5, with lyric videos sized for your projector, plain MP3s, and eight coloring pages. All of it is free to use in children's ministry. Nothing to sign up for, no watermark, no expiry. The full license is the second sheet in this pack.

WHAT'S IN THE FOLDER

- 01 Lyric Videos. Five MP4 files, 1920x1080. Dark words on a warm cream background, big enough to read from the back of the room.
- 02 Song MP3s. The same five songs as plain audio, tagged and matched in volume so you don't chase the knob between tracks.
- 03 Coloring Pages. Eight print-ready PDFs. Black and white, US Letter, no color ink needed.
- 04 Leader Guide. This sheet, the license, and a lyric sheet for each song.

A FIFTEEN-MINUTE BLOCK THAT WORKS

- 1 Arrival, 3 min. Put on Thank You, God while children come in. Ask nothing of them yet.
- 2 Gather, 2 min. Shine, Shine, Little Light. Everyone waves both hands on the bridge.
- 3 Story, 4 min. Tell the story, or play the matching episode. Ask the question and then stop talking. Count to three in your head before you rescue the silence.
- 4 Move, 3 min. Being Kind Is Everywhere. Four motions, the same four every chorus: wiggle, share, stomp, hug yourself.
- 5 Color and calm, 3 min. Hand out the page that matches the story and play the same song again, quieter. Playing it twice is the point, not a mistake.

Send the coloring page home with them. That sheet on a fridge door is what gets the song requested at the dinner table.

THE FIVE SONGS

SONG	BIBLE	WHAT IT TEACHES	THE MOTION
Shine, Shine, Little Light	Matthew 5:16	God made your light; kindness makes it shine	Wave both hands high on the bridge
Two by Two	Genesis 6-9	Counting to ten in pairs, animal sounds, God keeps us safe	Count on fingers through the bridge; animal sounds out loud
God Made the Colors	Genesis 1	Colour names, and that God made everything good	Point at something blue, then something green, on the bridge
Thank You, God	James 1:17	Gratitude words; doubles as a sung table grace	Clap on every 'thank You'
Being Kind Is Everywhere	John 13:34	Taking turns, gentle hands, kind words	Wiggle / share / stomp / hug yourself — same four every chorus

THINGS WORTH KNOWING ABOUT THIS AGE GROUP

- Under-twos will watch and not sing. That is participation. Leave them alone.
- Every chorus repeats at least three times on purpose. Don't cut it short.
- Toddlers join in on the second or third hearing, not the first. Run the same song two weeks running before you decide it didn't land.
- The lyric videos use dark type on a light background so they stay readable with the room lights on, which is where small children need to be.

THE LICENSE IN ONE SENTENCE

Play it, project it, print it, photocopy it, as much as you like, for the children you serve, for free, forever. Just don't re-upload it to a platform and don't sell it. Full terms on the next sheet.

IF IT WORKS IN YOUR ROOM

Tell us. hello@littlambbo.com reaches a real person, and hearing which song your two-year-olds actually joined in on changes what we write next. We'll let you know when there are new songs, and we send nothing else.

If you have a few minutes to look at a song before we release it, say so in that email. We are looking for two or three children's pastors who will tell us the truth about what does and doesn't work with this age group.
