

Shine, Shine, Little Light

Matthew 5:16 | God made your light; kindness makes it shine

Motion: Wave both hands high on the bridge

Words in blue are the children's echo. They shout those back at you.

Shine, shine, little light
God made you to shine so bright
Shine, shine, day and night
Little lamb, shine your light
The sun wakes up and says hello (hello!)
God made the light to help us grow
I've got a little light, I know
Right in my heart, ready to glow
Shine, shine, little light
God made you to shine so bright
Shine, shine, day and night
Little lamb, shine your light
When I share my toys with you (with you!)
My little light comes shining through
When I say I love you too (love you!)
That's my light in all I do
Can YOU shine your light?
Wave your hands up high!
Can YOU shine your light?
Shine it to the sky!
Shine, shine, little light
God made you to shine so bright
Shine, shine, day and night
Little lamb, shine your light
Shine... shine... little light

Two by Two

Genesis 6-9 | Counting to ten in pairs, animal sounds, God keeps us safe

Motion: Count on fingers through the bridge; animal sounds out loud

Words in blue are the children's echo. They shout those back at you.

Two by two, two by two
All aboard, me and you!
Two by two, two by two
God keeps us safe, and the animals too!
Two little lions walking in
ROAR! ROAR!
Two little frogs hopping in
HOP! HOP!
Count them up...
One, two, three, four!
Come on in
There's room for more!
Two by two, two by two
All aboard, me and you!
Two by two, two by two
God keeps us safe, and the animals too!
Two little sheepies trotting in
BAA! BAA!
Two little elephants stomping in
TOOT! TOOT!
Five, six, seven, eight...
HOORAY!
Everybody's safe today!
Can you count with me?
1 2 3 4 5 6 7 8 9 10!
Let's count them all again!
The rain came down
Drip, drop, drip, drop
But everyone was warm inside

continued

And when the sun came out again

A rainbow stretched up high!

WOW!

Two by two, two by two

All aboard, me and you!

Two by two, two by two

God keeps us safe, and the animals too!

Safe and sound...

Me and you...

God Made the Colors

Genesis 1 | Colour names, and that God made everything good

Motion: Point at something blue, then something green, on the bridge

Words in blue are the children's echo. They shout those back at you.

Who made blue? (blue!)

God made blue.

Who made green? God made green.

Who made yellow?

Who made red?

God made all the colors

And it was GOOD, GOOD, GOOD!

Look up high, the sky is blue

The great big sea is splashing too! (splash!)

God was painting, that we know

He made the blue, and it was good

Who made blue? (blue!)

God made blue.

Who made green? God made green.

Who made yellow?

Who made red?

God made all the colors

And it was GOOD, GOOD, GOOD!

The grass is green, the trees are tall

The yellow sun shines on us all! (shine!)

God was painting, that we know

He made them all, and it was good

Can YOU find something blue?

Point to something green!

God made every color

That your little eyes have seen!

Who made blue? (blue!)

God made blue.

Who made green? God made green.

God Made the Colors

continued

Who made yellow?

Who made red?

God made all the colors

And it was GOOD, GOOD, GOOD!

Good... good... good...

It was so good

Thank You, God

James 1:17 | Gratitude words; doubles as a sung table grace

Motion: Clap on every 'thank You'

Words in blue are the children's echo. They shout those back at you.

Thank You, thank You, thank You, God (thank you!)

For every good and happy thing

Thank You, thank You, thank You, God (thank you!)

That's why we clap and sing!

Thank You for the morning sun

That wakes me up for morning fun

Thank You for my cozy bed

And dreams inside my sleepy head

Thank You, thank You, thank You, God (thank you!)

For every good and happy thing

Thank You, thank You, thank You, God (thank you!)

That's why we clap and sing!

Thank You for the food we eat (yum-yum!)

Every snack and every treat

Before we take a bite we say:

Thank You, thank You, God, today!

AMEN!

What are YOU thankful for?

Your family? Your friends?

God gave us every good thing

So the thank-yous never end!

Thank You, thank You, thank You, God (thank you!)

For every good and happy thing

Thank You, thank You, thank You, God (thank you!)

That's why we clap and sing!

Thank You, God... amen, amen!

Being Kind Is Everywhere

John 13:34 | Taking turns, gentle hands, kind words

Motion: Wiggle / share / stomp / hug yourself — same four every chorus

Words in blue are the children's echo. They shout those back at you.

Wiggle, wiggle!

Share, share!

Being kind is everywhere!

Stomp, stomp!

Hug yourself tight!

Loving others feels just right!

When we play, it's my turn first (my turn!)

Then I say: now it's YOUR turn! (your turn!)

Waiting is a kind of love

That's what good friends are made of!

Wiggle, wiggle!

Share, share!

Being kind is everywhere!

Stomp, stomp!

Hug yourself tight!

Loving others feels just right!

Gentle hands are soft and slow (so soft!)

Kind words help our friendships grow

Please and thank you, are you okay?

Little words that light the way!

Can YOU do something kind today?

Who will you share with?

God says: love each other

So let's love in every way!

Wiggle, wiggle!

Share, share!

Being kind is everywhere!

Stomp, stomp!

Hug yourself tight!
